WVU Engage
- Each club must register with WVU Engage to be eligible for the year
- This is how the university will stay in contact with you
- The contact is no longer Kim Harrison, but rather Kara Snyder
- All clubs must update their officers with Engage and also with SAC

EngineerFEST
We discussed the logistics and details for the upcoming EngineerFEST spanning September 14th-25th.
- 2 week period of online zoom recruitment meetings.
- Each session can last for either 30 minutes or 1 hour depending on the time slot chosen
- Sign up for more than one slot if you are able to, but make sure to space them out to accommodate for people joining/leaving. Create a waiting room for your meetings.
- Sell your club in your own way. (Speak, video, PowerPoint, etc.) Let them know the Who, what, why, when, and where
- Be aware of Zoom Bombing! If a situation occurs, close the session immediately and notify Cate’s office.
- Leave time at the end of the session for any assignments or attendance purposes
- You will be given a link to put into the zoom chat at the end of your meeting so attendees can fill it out/verify they attended the session. We will collect contact information and share with your organizations.
- Please sign up by Friday, 9/11/20 by noon.

Sac Funding/ Proposals
Discussed last year’s and this year’s funding and proposals.
- $25,000 that goes towards the next year’s SAC fund based on percentage of volunteer hours
- The hours will be weighted this year again. 2x for Statler college events, 1.5x for student org events, and 1x for all other volunteer activities
- The proposal is a plan for the whole year, not just SAC funding.
- Plan for a normal Spring semester and have a backup plan just in case things change
- The proposal must be signed by the club president, club advisor, and the chair of the department. If you are unable to get signatures, send a copy of their email with the approval with the proposal
- There will be no access to SAC funding without the proposal
- The proposals are due via email on September 23rd to Cate.Schlobohm@mail.wvu.edu
- The money will expire on June 30, so plan to use it in other ways
- SGA grants are still happening this year. More information will be presented at next month's meeting.
Statler College Website
- Make sure you are checking the website for the most updated COVID policies for the university
- The volunteer hour spreadsheet can be found on the website. Search ‘Statler SAC’ and the link should appear
- NO TRAVEL is permitted for clubs this semester. This policy will be reevaluated for spring.
- Stay up to date with the SEL Meeting/Event guidelines
- Rules apply for on and off campus meetings if they represent the university or the club

T-shirts
- Must be approved through WVU trademark and licensing
- Commonly used tshirt printers are Underground printing and 4imprint

Upcoming Volunteer Opportunities
- Handwritten Cards
- EngineerFEST
- Zoom Rooms
- Feature Friday

Computer Requirement Discussion
- Discussion regarding possible requirement that incoming students must have a specific type of computer occurred.
- Feedback was solicited from SAC members.
- Concerns that a computer requirement would deter students who have financial hardships were brought up
- Some students pointed out that graduates will be expected to use computers/software in industry so it’s a good requirement.
- Students wanted to know feasibility of scholarships or financial aid to be used to purchase computers
- Idea of rentable computers came up
- This discussion was part of a conversation/idea from leadership, No action items at this time, but feedback will be presented to college Executive Committee.

Meet the Dean
- Dean Mago joined the meeting and introduced himself to SAC members.
- Let students know he has an open door and fully supports student organizations
