FAST FACTS

**AVERAGE MATH SCORES**
- SAT score: 632
- ACT score: 27.1

**PERCENTAGE OF STUDENTS FROM OUT-OF-STATE**
- 56%

**APPROXIMATE NUMBER OF UNDERGRADUATES**
- 4,100

**OUR CAREER PLACEMENT RATE**
- 84%

**AVERAGE STARTING SALARY OF OUR GRADUATES**
- $66,000

**APPROXIMATE NUMBER OF UNDERGRADUATES**

**PERCENTAGE OF STUDENTS FROM OUT-OF-STATE**

**OUR CAREER PLACEMENT RATE**

**AVERAGE STARTING SALARY OF OUR GRADUATES**

**FAST FACTS**

If you qualify, the HONORS COLLEGE is a great way to create a unique college experience for yourself.

You do not need to know your specific engineering major when you get here—we will help you find the ONE THAT’S RIGHT FOR YOU.

You can pursue MINORS to personalize and increase the value of your degree (i.e., entrepreneurship, political science, foreign languages).

The majority of our freshmen live in Braxton Tower, Lincoln Hall and Honors Hall. @wvuhousing

**FURTHERING YOUR EDUCATION**

Almost a quarter of our students go on to engineering graduate school, law school, business school or medical school.

**EXTRACURRICULAR**

Many of our students are in the BAND, ROTC, CLUB and INTRAMURAL SPORTS and even in DIVISION I SPORTS.

While many of your classes will be on the EVANSDALE CAMPUS, you will also be able to take courses on the DOWNTOWN CAMPUS.

The WVU Board of Governors is the governing body of WVU. The Higher Education Policy Commission in West Virginia is responsible for developing, establishing and overseeing the implementation of a public policy agenda for the state’s four-year colleges and universities. WVU is an EEO/Affirmative Action employer — Minority/Female/Disability/Veteran
The WVU Benjamin M. Statler College of Engineering and Mineral Resources has three direct-ADMISSION tracks for incoming freshmen based primarily on math readiness. These tracks maximize your chance for a successful college experience.

The pathway on which you are admitted can determine the time it takes for you to graduate.

Additionally, it is important to note that you won’t start directly into a specific engineering discipline until you complete the core classes required to move into that major. Some majors are competitive, and entrance into them is based on GPA after completion of six core courses, which include ENGL 101; CHEM 115; MATH 155; and ENGR 101, 102 and 191.

Questions regarding math placement? Visit: statler.wvu.edu/undergraduate/admissions-criteria

**TRACK 1**
This track is for students who are ready for college-level calculus. Students in this track typically graduate in four years.

GPA + One of the following

<table>
<thead>
<tr>
<th>GPA</th>
<th>Math ACT</th>
<th>Math SAT</th>
</tr>
</thead>
<tbody>
<tr>
<td>3.0</td>
<td>28</td>
<td>660</td>
</tr>
</tbody>
</table>

**TRACK 2**
This track is for students who place into a pre-calculus course. Students in this track typically graduate in four or four-and-a-half years.

GPA + One of the following

<table>
<thead>
<tr>
<th>GPA</th>
<th>Math ACT</th>
<th>Math SAT</th>
</tr>
</thead>
<tbody>
<tr>
<td>2.75</td>
<td>26</td>
<td>610</td>
</tr>
</tbody>
</table>

**TRACK 3**
This track is designed for students who place into algebra. Students in this track typically graduate in four-and-a-half to five years.

GPA + One of the following

<table>
<thead>
<tr>
<th>GPA</th>
<th>Math ACT</th>
<th>Math SAT</th>
</tr>
</thead>
<tbody>
<tr>
<td>2.50</td>
<td>22</td>
<td>540</td>
</tr>
</tbody>
</table>
Incoming freshmen are automatically considered for merit-based engineering SCHOLARSHIPS when accepted to WVU. These scholarships can be used in conjunction with other scholarships.

At West Virginia University, we want the best and brightest students — not just the high scorers. Hard work, determination and grit are just as important to us as tests and GPAs.

That's why 93% of our new undergrads receive financial aid, and 82% of incoming engineering freshmen earn scholarships. But we want every student to find their fit here.

So we’re expanding our scholarship tiers to offer even more students the opportunity to turn their passions into a lifelong purpose.

In-state tuition and fees: $9,202 • Out-of-state: $25,954

STATLER COLLEGE QUALIFICATIONS

These awards are in addition to the Scholarship of Distinction amounts.

If you qualify for Scholarship of Distinction 1, 2 or 3 and have a minimum:

ACT MATH: 29 or SAT MATH: 680

you will receive the Engineering Excellence Level 2 Scholarship

IN-STATE: $2,000
OUT-OF-STATE: $4,500

If you qualify for Scholarship of Distinction 1 or 2 and have a minimum:

ACT MATH: 32 or SAT MATH: 720

you will receive the Engineering Excellence Level 1 Scholarship

IN-STATE: $2,500
OUT-OF-STATE: $5,500

statler.wvu.edu/undergraduate/paying-for-college

WVU is an Equal Opportunity/Affirmative Action Employer – Minority/Female/Disability/Veteran.
As a student in the Statler College, you will be able to join a variety of **STUDENT PROJECTS AND ORGANIZATIONS** in order to apply what you have learned in the classroom and to participate in professional and career development.

Examples include:

**DESIGN PROJECTS**
- Formula One
- Robotics
- Rocketry Team
- Design/Build/Fly
- Projects in Industry
- Microgravity Team
- Concrete Canoe
- Steel Bridge

**STUDENT ORGANIZATIONS**
- Engineers Without Borders
- National Society of Black Engineers
- Society of Women Engineers
- Society of Hispanic Professional Engineers
- Institute of Industrial and Systems Engineers
- American Society of Mechanical Engineers
- CyberWVU
- Tau Beta Pi

We hope you take full advantage of college life by partnering your academic work with one of our many **EXPERIENTIAL LEARNING OPPORTUNITIES**.

It is our goal that 100% of students who graduate from Statler participate in an experiential learning opportunity. These opportunities include:

- Undergraduate research
- Civic engagement/ service learning
- Study abroad
- Senior design projects (domestic/ international)
- Co-ops and internships
- Engineering competitions
- Student projects

There are several ways to **VISIT CAMPUS**, so you can find the option that works best for you.

Schedule a campus visit through the WVU Visitors Center for a guided or walking tour of the whole campus, and let them know you’d like an appointment to see the engineering and computer science facilities. They will set everything up for you! This option is available on most weekdays throughout the year.

Do weekends work better for you? You can attend a special event like the engineering-specific open house held once per semester or a University-wide open house such as Discover WVU or Decide WVU.

The one thing all visit options have in common? It’s the best way for you to see if WVU is the place you want to call home. So pick a date and come ask lots of questions! To learn more about each visit option or to schedule a visit, go to admissions.wvu.edu/visit or call the WVU Visitors Center at 304-293-3489.
CAREER PLACEMENT

It’s all about finding a career, and our Office of Corporate Relations and Career Assistance does more than just talk about it! We’ll put you in touch with companies looking to hire you for internships, co-ops and full-time positions.

Throughout the year, you will have the opportunity to take advantage of:
- Fall and spring Career Fairs, that draw hundreds of employers
- Continuous broadcast of job postings through Handshake
- Résumé review and interviewing skills classes for engineers
- Staff designated to help you find co-ops, internships and full-time employment

Upon completion of your undergraduate coursework, you can continue to hone your skills and develop new ones by continuing your education beyond your bachelor’s degree. Options include:
- Business school
- Law school
- Medical school
- Graduate school in engineering/computer science

Our graduates are hired by internationally known companies and organizations:

Apple  General Motors
Bayer  Cisco
Hershey  Oracle
Ford  Williams
Halliburton  Amazon
Westinghouse Electric

NASA  FBI
Lockheed Martin  Axiall
IBM  Google
Leidos
Texas Instruments
Honda  Eaton
Intel
Homeland Security
DuPont
