The questions below can be used to assist you in the drafting of your collegiate engagement portfolio reflection paper. Completion of the questions is not required to receive credit, but can be extremely useful for portfolio development.

How much did you know about the subject before you attended this event?

List 5 “take-away” messages or ideas you learned from this event.

Did you agree or disagree with any of the thoughts or ideas presented? If so, why?

How will this event help you progress toward your overarching goal for the semester?

Can you strengthen any specific skills based on this event, if so, how?

What future events could you attend to further support your goal?
